Dear Greg

CANTERBURY REGISTERED MASTER BUILDERS COMMERCIAL PROJECT OF THE YEAR AWARD

The 2009 Canterbury Registered Master Builders "Commercial Project of the Year" award was bestowed on Show Place Business Park, Lot 3. This recognised the level of building excellence involved in this project by awarding it a Gold, judging it also best in it's Category (Retail & Business Project) and then the big award of the night, the Commercial Project of the Year.

This is a direct reflection on your company's contribution to the project as much as it is on our own. We firmly believe that our client's have the right to demand this same high standard on all projects undertaken with us and that we share a duty along with our key contractors and consultants to deliver to this level of workmanship consistently.

Please accept with our compliments the enclosed as a small token of our appreciation for your efforts, to share with your staff. We thank you for your continued business and support.

Yours faithfully
